

## ***WELCOME TO KINGSWELL GLEN!***

Kingswell Glen Golf Club is a semi-private course tucked away in the beautiful town of Petrolia, Ontario. It originally opened as Glenview Golf Club in 1895 — a six-hole course that was inspired by St. Anne’s in Scotland and founded by Jake Englehart for his fellow oil barons, the rich, and the famous.

**In the early days (when Petrolia was “dry”) the golf course’s clubhouse was a popular spot...and we can't wait to bring that legacy back to life.**

The original clubhouse was built on Queen Street but then torn down in 1965 because it had become too small and too noisy for neighbours.

Eventually, another clubhouse was built, and in 2001 the course expanded to its current 18 hole layout, with the new nine being built within the Glenview Estates subdivision.

From Glenview Golf Club to Glenview Golf and Curling Club, to Heritage Heights Golf Club, and now...Kingswell Glen Golf Club!

## **Our Vision**

***Kingswell Glen is more than just a golf course.***

### **Our Philosophy**

Golf isn't just about the birdies and bogies. It’s about getting outside, moving your body, and challenging yourself. It’s about sharing laughs and drinks; making memories and friends. Golf is about commitment and improving your game — it teaches you that you always have another chance to do better.

### **Our Mission**

At Kingswell Glen we are committed to providing an experience that goes beyond golf. We want to create a space that nurtures meaningful connections, supports the local community, and brings people together to have some (much-needed and socially distanced) fun in the beautiful outdoors.

### **Our Vision**

We want to disrupt the industry status quo because we don’t want to be like the other golf clubs. We want Kingswell Glen to be known as a friendly, welcoming club that provides an exceptional game of golf and social experience for the whole family while building a sustainable and beautiful course that integrates with the natural landscape of our beautiful town.

# Our Commitment to Sustainability

*Golf isn't just about the game.*

It's also about getting outside to enjoy the natural beauty we're lucky enough to be surrounded with.

Just like Jake Englehart fell in love with the golf courses in Scotland and wanted to bring that magic home, we want to create a space that inspires and helps people fall in love with the beauty Petrolia has to offer. Because of that, Kingswell Glen is committed to developing + implementing effective strategies to improve the environmental sustainability of our golf course, and the local community.

*We want to go the extra kilometer to ensure that what we're building with this golf course will support the ecosystem it exists in, which is why there is a sustainability fee of \$35 (tax free) for each member.*

We hope that you're as invested in our vision for this community as we are — because if there's one thing we know, it's that working together is the only way to get anything done.

## Contact Us

## League Information

*One of our main goals at Kingswell Glen is to cultivate a real sense of community.*

League play is one of the (many) ways that we make that happen.

It can be tough to meet new people — or even find time to see the friends you already have — which is why we're offering you an option for (socially distanced) fun with your friends, and you don't have to plan a thing. Just show up at the same time every week (or whenever you can make it) and we'll take care of the rest.

**Our leagues are open to everyone, not just our members.**

Participation in league play is included in your membership, and we have a set league fee that public players can pay each week if they want to join. So even if you're not ready to commit to a full membership, you can still test the waters. We offer:

- Tuesday Morning Senior Men's
- Wednesday Morning 9-hole Ladies
- Wednesday Morning 18-hole Ladies
- Wednesday Night Hard Oiler Men's
- Thursday Morning Senior Mixed
- Friday Night Couples League

*If you have any questions or want more information, contact the Pro Shop: 519-882-0860*

## 2021 Membership Pricing

### What you get with your membership

- Membership includes entry into the annual Club Championship
- **Weekday members** can play unlimited rounds of golf Monday-Friday
- **Full members** can play unlimited golf any day of the week
- The ability to make purchases on-account — convenient, and totally touch-free
- Participation in our weekly league play at no additional cost

*We do offer **payment plans** for memberships, please see or email Nichole in the office.*

## Other Member Perks

*Members are friends with benefits here Kingswell Glen.*

And as a thank-you for your commitment to us, we're offering a 10% credit for all on-account Kingswell Pro Shop and BBQ Pit purchases, which can be applied to your 2022 membership. Purchases made in the Kingswell Indoor Field will not be included in the 10% credit.

### How does it work?

Let's say you stop by the BBQ Pit for a meal on the first Friday of every month during golf season, and your pre-tax bill is \$30. You regularly charge that amount to your account.

At the end of each month, you pay your account in full and we will keep a record of all the purchases you've made over the season (\$30 once per month for 6 months makes a total of \$180 charged). Next year, 10% of that total (\$18) can be applied to the balance of your membership.

Make sense?

*Please note that while we love you all equally, this benefit is only available to members with house charge accounts in good standing.*

If you have any questions, please reach out to [nichole@kingswellpetrolia.com](mailto:nichole@kingswellpetrolia.com)

## What You're Investing In

### *Improvements to the course*

For the 2020 golf season, our focus was on restoring the greens and to full health. Thanks to those efforts, many of our long-standing members have told us that the greens are the nicest they've seen in 20 years.

*As we prepare for the 2021 season, we'll be turning our attention to other areas of the course:*

- **Fixing the tee boxes.** We're going to work on levelling them and improving the overall aesthetic. After all, if you have to stand and wait while your buddy misses the ball (again) you might as well have a decent view.
- **Pruning and trimming trees.** This is going to be for both the health of the trees and to improve playability of the course. Pro: It will help the overall aesthetic. Con: You'll have fewer branches to blame your bad shots on.
- **Repairing sand traps.** We are going to retile several of our existing hazards to improve drainage, as well as add more sand.

### ***Community Growth***

Petrolia is our home, and we want to do everything we can to support this incredible small town and the people who live in it. That's why we are passionate about not just providing a great game of golf, but creating a business that is invested in the growth of its people and the surrounding community.

Whether it's growth opportunities for our team, partnering with local vendors (like craft breweries, building materials, and services) or donating to a good cause, we are here for you.

**A membership at Kingswell Glen isn't just about the golf; it's about the community.**

*And we want you to be a part of it.*
